PROFESSIONAL SUMMARY

Cloud Infrastructure & Virtualization Engineer with 5+ years of experience in Nutanix AHV, AOS, File Server, VMware vSphere, HCI, and Windows environments. Skilled in virtualization, infrastructure management, automation, and troubleshooting with expertise in Nutanix, Azure, & Python. NCA 6.10 Certified with a strong focus on infrastructure reliability and operational efficiency

TECHNICAL SKILLS

Virtualization: Nutanix AHV, AOS, SDDC, VMware ESXi, VMware vCenter, VMware VDI, Hyper-Converged Infrastructure (HCI)

Cloud Platforms: AWS, Microsoft Azure

Infrastructure: Windows Server, HP Hardware, Firmware Management

Monitoring & ITSM: ServiceNow, OpsRamp, PagerDuty

Networking: TCP/IP, Virtual Networking, VLAN

Operating Systems: Linux, Windows

PROFESSIONAL EXPERIENCE

Accenture

App/Cloud Support Senior Analyst

Bengaluru, India

Aug 2026 – Present

Wipro

Senior Project Engineer – Nutanix

Bengaluru, India

Sep 2024 – Aug 2026

- Managing and maintaining Nutanix HCI infrastructure and virtualized environments for production workloads.
- Performed Nutanix upgrades, firmware upgrades, and infrastructure maintenance activities with minimal downtime.
- Handled VM migrations, OS migrations, and file server migrations across enterprise environments.
- Troubleshoot VM and OS-level performance issues to ensure infrastructure reliability and availability.
- Coordinated with vendors and cross-functional teams for issue resolution and infrastructure optimization.
- Managed HP hardware infrastructure and firmware lifecycle operations.

Wipro

Project Engineer – VMware Stack

Bengaluru, India

Nov 2023 – Sep 2024

- Managed VMware ESXi-based server infrastructure for Dell client environments.
- Monitored server health, utilization, and performance using OpsRamp and PagerDuty.
- Worked on incident management and SLA-driven support using ServiceNow integration workflows.
- Supported both Linux and Windows server environments hosted on VMware infrastructure.

Wipro

System Engineer L2 – VMware VDI

Coimbatore, India

Jun 2022 – Nov 2023

- Administered VMware VDI infrastructure and managed enterprise virtual desktop environments.
- Provided L2 support for cloud desktop issues, application troubleshooting, and user support.
- Ensured high availability and operational stability of virtual desktop environments.

Wipro

System Engineer L1 – Service Desk

Bengaluru, India

Aug 2021 – Jun 2022

- Provided first-level technical support for enterprise users across infrastructure and application environments.
- Managed ServiceNow incidents, SLA tracking, escalation handling, and backlog management.
- Supported O365, printer mapping, drive mapping, and software installation activities.

PROJECTS

- Infrastructure Automation for SLA Compliance
- Automated SMS Voice Alerting for Nutanix Infrastructure

CERTIFICATIONS

- Nutanix Certified Professional - Multicloud Infrastructure 7
- Nutanix Certified Associate 6

EDUCATION

Birla Institute of Technology and Science (BITS), Pilani

M.Tech – Computing Systems and Infrastructure

2022 – 2025

St. Joseph's College (Autonomous)

B.Sc – Electronics, Mathematics and Computer Science

2018 – 2021
