

DENNY JOHNSON P

Bengaluru, Karnataka, India

dennyjohnsondj4@gmail.com | LinkedIn | Portfolio

PROFESSIONAL SUMMARY

Cloud Infrastructure Engineer with 4.5+ years of experience designing, deploying, and optimizing enterprise-scale virtualization and HCI solutions. Proven expertise in Nutanix, VMware, and AWS with strong track record of maintaining 99.9% uptime for critical business applications. Skilled in infrastructure automation, performance optimization, and cross-functional collaboration to deliver scalable solutions supporting organizational growth.

TECHNICAL SKILLS

- **Cloud & Virtualization:** Nutanix AHV, VMware vSphere/ESXi, VMware Horizon VDI, Microsoft Azure Virtual Desktop, AWS
- **Infrastructure:** Hyper-Converged Infrastructure (HCI), Dell/HP Hardware, Storage Management, Disaster Recovery
- **Operating Systems:** Windows Server (2012-2022), Linux (RHEL, Ubuntu, CentOS)
- **Tools & Monitoring:** ServiceNow, Opsramp, PagerDuty, Microsoft 365, PowerShell
- **Methodologies:** SRE practices, ITIL, Performance Tuning, Migration Planning, Vendor Management

PROFESSIONAL EXPERIENCE

Senior Project Engineer - Nutanix

September 2024 - Present

Wipro, Bengaluru, Karnataka, India

- Manage and maintain enterprise Nutanix HCI and VMware virtualization infrastructure supporting 2000+ VMs across multiple clusters
- Execute complex OS and file server migrations with zero downtime, ensuring business continuity for critical applications
- Perform proactive performance analysis and optimization at OS and VM levels, reducing resource bottlenecks
- Lead Nutanix platform upgrades and firmware management for HP hardware, maintaining security compliance and system stability
- Collaborate with vendors to resolve critical infrastructure issues, reducing MTTR by 25% through effective troubleshooting

Project Engineer - VMware Stack (SRE)

November 2023 - September 2024

Wipro, Bengaluru, Karnataka, India

- Managed Dell client-premises VMware infrastructure, maintaining 99.9% uptime for production Windows and Linux servers
- Implemented automated monitoring solutions using Opsramp and PagerDuty, reducing incident response time
- Orchestrated ServiceNow-Opsramp integration for streamlined ticket management and improved SLA compliance
- Performed capacity planning and resource optimization, improving resource utilization efficiency

System Engineer L2 - VMware VDI

June 2022 - November 2023

Wipro, Coimbatore, Tamil Nadu, India

- Administered VMware Horizon VDI environment supporting 1500+ virtual desktops, ensuring seamless user experience
- Resolved complex VDI and application issues, achieving 95% first-call resolution rate
- Optimized VDI performance through resource allocation and configuration management

System Engineer L1 - Service Desk

August 2021 - June 2022

Wipro, Bengaluru, Karnataka, India

- Provided L1 support via ServiceNow, managing O365, printer/drive mapping, and application deployment
- Maintained SLA compliance and managed ticket escalation processes effectively

EDUCATION

Master of Technology in Computing Systems and Infrastructure

Birla Institute of Technology and Science (BITS), Pilani

May 2022 - November 2025

Bachelor of Science in Electronics, Mathematics, and Computer Science

St. Joseph's College (Autonomous)

July 2018 - June 2021

CERTIFICATIONS

- VMware Certified Professional - Desktop Management (VCP-DTM)
- Nutanix Certified Associate (NCA 6.10)
- Microsoft AZ-140: Configuring and Operating Azure Virtual Desktop
- AWS Partner: Technical Accreditation
- UX Design Fundamentals
